*Betty Johnson and
Cliff Harding*

Honoured for life- saving efforts

by Jerry Grozelle

Two Minden area residents have been honoured by St. John Ambulance for their part in trying to save the life of a 72 year-old accident victim.

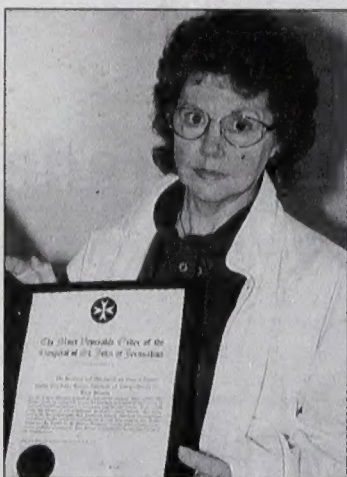

Betty Johnson lives on Highway 121 near the Upper Dutch Line Road, just north Haliburton County Road 1.

"I was out in the yard digging in the garden when I heard the screeching of tires and then a very loud bang," Johnson said. "I never ran so hard in my life."

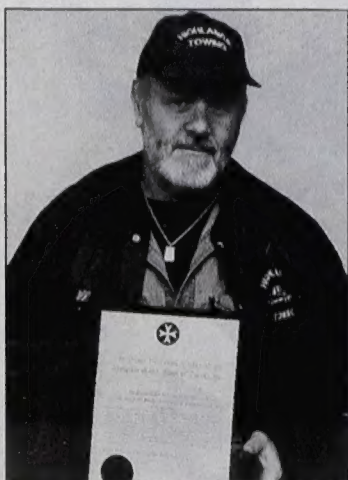

When she got to the scene, the accident victim was lying face down in the water, with a branch under his throat.

"I thought he was dead," she said.

Johnson heard a vehicle coming down the highway, so she scrambled up

MP John O'Reilly, Haliburton County Warden Murray Fearrey, MPP Chris Hodgson and immediate past Warden Ross Rabjohn shared the honours as the ribbon was cut to mark the opening of the expanded and renovated County Building. The ceremony took place Friday afternoon with reeves and deputy reeves from most of the municipalities in attendance.

Renovated county building opened

Praising the members of County Council for making the right choice in opting to renovate and expand the Haliburton County Administration building, Warden Murray Fearrey was joined by area politicians in officially opening the structure Friday afternoon. Noting that the project made good use of the infrastructure funding provided by the federal and provincial levels of govern-

ment, he pointed out the project helped to create jobs in the county and boost the economy. "This building will serve the county well into the next century," he told the gathering. He added that by choosing to expand the existing structure and match the architectural style, the historical nature of the original building has been maintained.

MPP Chris Hodgson also praised the

council for keeping the history of the building alive. He noted while the province and federal government each contributed one third of the cost of the building, the process was driven by the municipal governments.

MP John O'Reilly, whose government introduced the infrastructure program, noted that it was almost a year

Snowdon sells dump access to Whitby auto wrecker for \$65,000

by Andrew Milne

Snowdon township has agreed with a Whitby auto wrecker to dispose of 6,000 tonnes of waste at a local landfill site.

The wrecker will pay Snowdon \$65,000 for the service.

Neighbouring landowners have expressed some concern about the deal. Snowdon reeve George Simmons, however, says there is nothing to worry about.

Says Simmons, "The Ministry of the Environment (MOEE) has certified the material as non-toxic... It's shredded waste from the foam seats, glass, that kind of thing."

Municipal treasurer Ernie Hills says the landfill has lots of room for

the material.

Says Hills, "It's an entirely insignificant amount in terms of the whole landfill. Our Irondale site is the second largest site in the county."

The fee, said Hills, will put the township in the black financially.

"It's going to pay off all our long-term debt obligations," he says. "That puts us in a much better position in terms of the restructuring process, down the road."

The township has applied for and received a temporary amendment to the certificate of approval for the site, to allow it to accept waste from outside the county.

A letter circulated by the township, dated September 24, calls for public comment from the ratepayers, to be submitted by October 7 — a period of

two weeks. A landowner, Lee Jasper whose lot adjoins the site, expressed some concern about the period allowed for public comment. He received the letter, he said, only last week, which doesn't give him much time to comment.

Hills says the MOEE requirements for the temporary amendment, however, do not require that the township hold a public meeting.

"We notified the landowners more as a courtesy," he said. "As to the October 7 due date, that just happens to be the next meeting of council."

Said Simmons, "People have said to me that this is really going to hurt the image of Snowdon as cottage country. But I don't think so... And the landfill is probably one of the best assets this township has right now."

down the highway, so she scrambled up the bank and flagged the driver down. It was Minden area tow truck operator Cliff Harding, who was returning from a call in Kinmount. Harding called for an ambulance and police with his cellular telephone and then went with Johnson to see what they could do for the victim.

The man's face was lifted out of the water and he was held out of the water until the ambulance arrived.

"He was blue when I got to him," Harding said. "I knew he needed air pretty badly."

Harding said that the car had flipped end over end and when it landed back-first in the marsh, the seat broke free and the man slipped out of his seatbelt and was thrown through the back window. He was about 50 feet from where the car came to rest.

Johnson said the car was still running and she crawled in and shut the ignition off, fearing there could be a fuel leak that could have caused an explosion.

Harding said that after the ambulance arrived, more passing motorists had to be recruited to help carry the victim up the bank to the ambulance.

"It took six of us to get him out of there," he said.

In spite of everyone's efforts, the crash victim died.

"It was a trying day for everybody," Harding said, adding that every time he goes by that location it brings back memories of the incident.

Johnson said that a couple of days after the accident, she heard a knock on her door. When she answered, it was two sons of the accident victim; one was from Alberta, and the other was from Quebec.

"They stopped by to thank me for helping," she said. "I just wish there was something more we could have done for him. It was just something instinctive; you try to do what you can."

Johnson and Harding were presented with St. John Ambulance Special Certificates of Commendation recently at a ceremony in Lindsay.

September was a pleasant month at times, and very wet at other times. The first week was sunny and warm, an extension of the last week of August, so perhaps that was summer. Then a nice week September 17 to 23. In between we had very heavy rain especially September 13 and September 27. The total rain for the month was 163.1 mm (6.4 inches), much above average. Compare this with September 1995 at 53.8 mm (2.1 inches) or September 1986 at 176.3 mm (6.9 inches). All this gave us high water in the Gull River system, but the most recent date of high water in the Gull was November 1982. Hope there are no water problems this November. The average temperature for the month was 14.66 (58.2) slightly higher than average. Only 4 mornings with frost but there wasn't much damage. Coldest temperature was 0 (32) September 30. Previously I had mentioned the names for hurricanes up to Hortense. We still have a month to go for hurricanes so the next are Isidore, Josephine, Klaus and Lili. Hope we will not see their names in the news. We experienced the remainder of Hurricane Fran on September 7.

Minden baker will supply bread for Casino Rama

by Andrew Milne

A Minden baker has just reached a potentially lucrative agreement with the operators of Casino Rama in Orillia.

Richard Milewski, of R&W Bakery says he will be constructing an addition to his building, and hiring between five and six new staff as a result of the agreement. He currently has eight employees.

R&W will be supplying specialty breads and buns

Richard and Wanda Milewski, of R&W Bakery—suppliers to Casino Rama in Orillia.

to the Rama operation.

The agreement was reached two weeks ago, with Casino operators.

It was an involved process leading to the agreement. Says Milewski, "It's taken months, but they've just contacted me and said they'd be making a deal with me."

He laughs. "I still have to register with the Ontario Gaming Commission, so they know I'm not in the Mafia or anything like that."

There's no contract. Says Milewski, "They don't make contracts. Eventually, if they like my products, there might be one. But we do have an agreement, and they've told me that if anyone else comes along, I get a chance to beat the price—I get first shot. Which is nice."

He's visited the Rama operation a few times.

"And," he says, laughing. "I've lost a few times."

It's not Milewski's only contract outside the area. He's also providing bread, buns and pastry to Hollanders meats—delivering to their Peterborough location now. In the future, he hopes to supply the rest of the chain.

Creating the larger operation, he says, will be a learning experience, but it's one he's looking forward to with anticipation.

He has mixed feelings, he says, about the necessity of expanding his sales outside the area. He wants it put gently, but he says he found it somewhat surprising that he had to do so.

Says Milewski, "I want to put this nicely, but I really expected more business from the local area when I first started up. I kind of thought you know, you're a local business, people should support you. I make a good product—healthy, fresh—but people don't seem to think that way... Some people, of course, are very supportive."

Still, he says, he's happy to be expanding.

"We're getting somewhere," he says. "And that's good."

Ceremony marks official opening of county building

(from page one)

ago that he shared the sod turning duties with other politicians. As the sun streamed down on the dignitaries, he noted this was a much more pleasant day. He praised various county officials including warden Ross Rabjohn and former clerk Ross Rigney for their hard work in organizing the funding for the project. He then presented Warden Fearrey with a Canadian flag which had flown over the Peace Tower in Ottawa.

Stanhope Reeve Jock Mavor led the gathering in a prayer of thanks for the completion of the building.

Following the ceremonies, those in attendance were invited to tour the building and enjoy some refreshments.

County building 5% over budget

After approval of the payment of accounts at the September 18 meeting of County Council, a question was raised about the cost of renovations to the County Building. The numbers in question were regarding a 10 per cent holdback of \$90,000. The project was supposed to cost \$750,000, but a holdback of \$90,000 would seem to indicate a cost of \$900,000.

Warden Murray Fearrey assured council that the project was not 20 per cent over budget. He noted that because of "substantial changes" to the original plan, the project was about five per cent over budget.

"That's the smallest overrun on a renovation of this size I've seen in a long time," Fearrey said.

New attraction on Carnarvon skyline

by Jerry Grozelle

The community of Carnarvon has a new attraction. A totem pole, carved by local artist Jeff Pinney, now stands

guard on the east side of Highway 35 between The Mill Pond Restaurant and Pine Reflections Gift Shop.

Pinney, who lives on Buckslide Road and sells his work at Pine Re-

lections, says that while he was in the store, proprietor Gina Atkinson remarked that she would like to see a totem pole in front of the premises. Pinney said that was something he could do and the next thing he knew, a basswood log donated by R.C. Baker was lying in his front yard waiting to go under the knife.

"Once I had the log on my lawn, I pretty well had to do something with it," Pinney said.

Pinney as an artist prefers oil painting to carving, but he admits carved items are more saleable. "It pays the bills a little better than painting," he said.

It took Pinney about four months to complete the project, which stands about 16 feet tall. It features two 'human' faces at the bottom, progressing upward with a lynx, a wolf and the eagle. "I didn't really have any plan when I started," the artist said. "I just made it up as I went along."

"It was fun," said Pinney. The man suffers from multiple sclerosis. "Carving is like

therapy," he said. It's better than an anti-depressant."

He explained that he uses a tool that is called a carver's adz for the rough work. "When I get frustrated, I can just move up a few feet and chop away," he said.

Pinney leaves the interpretation of the totem pole to the viewer. "People can read into it what they want," he said. "I carved it according to how I felt as I went along."

The totem pole is a gift to the community and Pinney says he was really pleased to see how many people turned out to help erect it.

"I've lived here for 10 years," he said, "and a lot of people who I just knew well enough to say hello to are now stopping to talk."

Pinney said a series of coincidences led to the completion of the project. After the chance comments in Pine Reflections, Pinney said that just as he was about to start carving the pole, lightning struck his television antenna, taking out his television in the process.

"It gave me more time to work on the totem pole," he joked.

During the four months he worked on the totem pole, Pinney suffered a broken wrist, however, the fracture didn't prevent him from completing the project. He still wears a cast on his right arm.

Carving the totem pole started at the end of black fly season. The finished product was erected on September 22.

Pinney says if there is a message to be learned from this project it is the fact that there are many people who live in this area who could do many different things to help bring recognition to the region.

"There are a lot of people who could do some amazing things," he said.

There are two more basswood logs currently lying in Pinney's yard. The artist says he isn't sure, just yet, what he's going to do with them.

Jeff Pinney, left, at the base of his totem pole which reaches over 16 feet high: a new attraction for Carnarvon.

Pneumonia vaccine available at Minden emergency ward

by Andrew Milne

Minden hospital staff will be administering pneumonia vaccine to high risk patients, effective immediately.

The vaccine protects against the bacterium *Streptococcus pneumoniae*, a leading cause of death and a major cause of pneumonia and meningitis in children.

Says Doctor David Fiddler, of Minden's emergency ward, "You see it here. You see it everywhere. It's common. It might cause 30 to 50 percent of the pneumonia cases you see."

The elderly and anyone compromised by another medical condition tend to be at greater risk from the diseases the bacterium causes. According to Ministry of Health (MOH) figures, around one in 20 adults over 65 is hospitalized at some point in his or her life due to the infection. In those over 65, with chronic illnesses, according to a recent Mount Sinai Hospital study, the mortality rate is 30 per cent. The bug can cause both meningitis and pneumonia, either of which may be fatal.

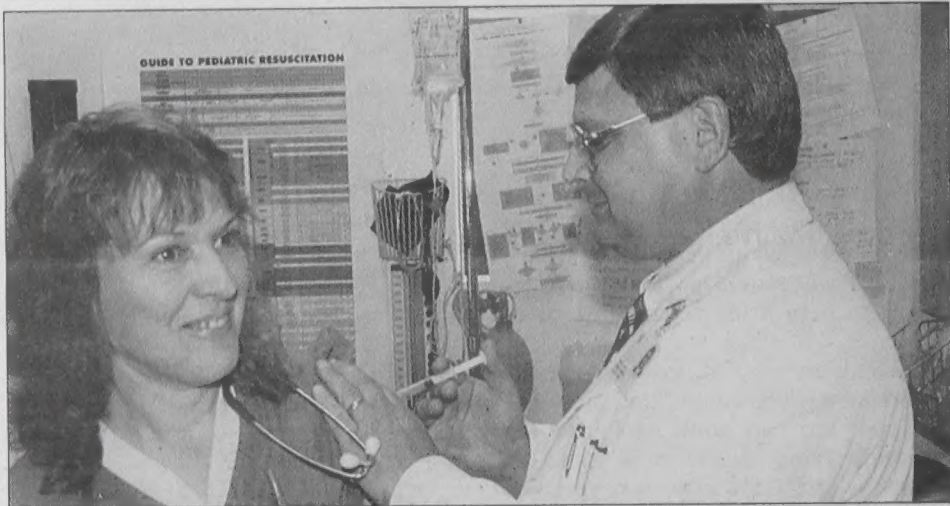

The vaccination may cause minor soreness or redness in the immediate region where it is administered (in around half of all patients), and, in a few rare cases, low-grade fever. The protection generally is

good for life.

The MOH is providing the vaccine, free of charge over a three year period. The vaccinations will start with those at highest risk. In order of priority, they are:

1. All residents of nursing homes, homes for the aged and chronic care facilities or wards.
2. People of any age (but older than two years, at which age the vaccine is generally ineffective) with any of the following conditions: chronic heart or lung disease; cirrhosis or alcoholism; chronic kidney disease or nephrotic syndrome; diabetes mellitus; asplenia, splenic dysfunction or sickle-cell disease; chronic cerebrospinal fluid leak; or HIV infection or other conditions associated with immunosuppression (Hodgkin's disease, lymphoma, multiple myeloma, organ transplant recipients).
3. People 65 years or older without the above conditions.

The government has indicated the first two groups are top priority, and are to be vaccinated first. People in the third group may be vaccinated when all those at highest risk have already been treated. Persons who wish to be vaccinated and who fall into either of the highest two risk groups above should contact the Minden Hospital or any of the medical clinics in Minden or Haliburton to arrange for a shot.

Minden hospital staff is administering pneumonia vaccines to high risk patients, as part of a government program to protect the population from the sometimes deadly bacterium *Streptococcus pneumoniae*. Third year med student Shelden Wical and nurse Shirley Perreault demonstrate how it's done.

Our greatest asset?

Editorial

It was probably with more than a little surprise that most residents of Snowdon Township, and indeed others throughout the area, read the story on the front page of this week's newspaper. It relates how the municipality of Snowdon has agreed to accept 6,000 tonnes of industrial waste from an auto wrecking company in Whitby. The agreement gives the township \$65,000 and the company a place to dispose of such material as foam from car seats and broken windshield glass.

The deal has appeal for the cash-strapped municipality, which has been suffering under the effects of a sluggish economy and cutbacks in provincial support payments. Obviously the auto wrecking firm benefits because it now has a spot to dump its waste that either wasn't wanted in its own municipality or would have been too expensive to dispose of close to home. According to township officials, the Ministry of the Environment and Energy has given the undertaking its blessing. Approval must be granted to accept waste from outside the area served by the municipality. As well,

the MOEE has certified that the material is non-toxic.

What surprises us, and we believe many of the residents of the area, is how quietly this agreement was entered into. Even an owner of property adjacent to the Irondale dump site, where the material will be taken, said he knew nothing of the undertaking until late last week when a letter arrived from the municipality explaining what was about to take place. According to the municipal clerk, the letter was sent as a courtesy and no formal notification was in fact required. In any event, any comment the residents of the township may wish to make, must be in by today, (October 7), in time for the next meeting of the municipal council.

In addition to the limited time frame allowed for public comment, the issue of whether Haliburton County is about to become the dumping ground for unwanted garbage from the Golden Horseshoe is a matter that needs to be aired. Are our landfill sites, as Reeve Simmons

suggested, our greatest asset? Is this the thin edge of a wedge that will see the communities sell off access to dump sites to anyone with the means to purchase it? How does providing this service for southern Ontario square with the Highland's image of rugged wilderness? Why is it that when we drive to Toronto, it seems that in every community along the way, the citizens have posted protest signs rejecting the idea of accepting garbage from outside their area, and yet suddenly Haliburton County is doing just that? Does anyone, beyond the local municipal council, have any stake in what happens within that municipality?

Perhaps the reeve is right and the service we can provide for those with unwanted garbage is to be this county's niche in the grand scheme of things. Perhaps Snowdon council has happened upon the key to creating a vibrant economy in a land of few exploitable resources. However, if this is the way of the future, the direction should not be taken without reasonable consensus from those affected by the decision. The community as a whole should take a close look at the implications of this move before it is too late to turn back.

Editor:

Support is there, but not by a levy

Three years ago a group of concerned citizens, with the aid of the Kinmount Legion, approached us with the need and desire to actively attempt to obtain the permanent services of a doctor. A few months later, Minden was put in the same critical position of no doctors and the possibility of the Minden hospital closing.

Recognising the need of the Minden Emergency Facility in order to obtain a doctor in Kinmount, we then offered our help to the Minden Doctors Committee.

The combined efforts of the Minden and Haliburton Committee resulted in the formation of the Haliburton Highlands Health Services Board, which has taken over the operations of both Minden and Haliburton

Hospitals and with the intention of taking over Hyland Crest Nursing Home. The catchment area of North Victoria and Peterborough Counties was included in the service studies as many residents do make use of these facilities. The Northern municipalities were asked to have one elected official and one member of the public sit on the Health Services Board.

The province is providing the majority of the funding for new construction in both Minden and Haliburton. However, a portion of the funding must be obtained through public fund raising. Haliburton County Councillors have suggested a one time \$100 levy for each household.

The idea will quickly solve much of the fund raising tasks. Unfortunately for

Victoria County residents, we cannot agree to such a levy as we currently now fund Victoria Manor to about \$750,000 a year. We would have an insurmountable task of levying only those who make use of the hospital services. Our original involvement was to save the Minden Hospital; we now are looking at the task of retrofitting a portion of Hyland Crest and new construction.

Hospital care and nursing home care is universal. Victoria Manor has for example, 20 to 25 present non residents of Victoria County.

We take this opportunity to make it clear we are quite sure those residents making use of the Minden Hospital would be willing to participate in any public fund raising activi-

Put a little shine back in your life

There are more things under Heaven and earth, Horatio than are dreamt of in your philosophy.

Hamlet: Act X, Scene X

Indeed there are, Horatio, old buddy. And if Shakespeare thought life was complicated in the 16th century, what would he make of a typical working day circa 1996?

If the Bard of Avon was around today, he'd have a few chores to take care of before he dipped his goose quill in the ink pot.

He'd want to check his Voice Mail of course, to see if there were any messages from The Palace.

He'd probably grab the TV remote and flick through a few channels to see if there might be an old Lawrence Olivier movie on.

Perhaps he'd fire up a cup of Java in the microwave, call his agent on the cell phone or download the latest Stephen King novel on his computer to see if there was anything worth scalping.

Chance are, Shakespeare would never get around to dipping that goose quill in the ink pot at all.

It's not just machines that make modern life complicated--there's government gobbledegook as well. In Shakespeare's time there was no such thing as income tax. My Revenue Canada form runs to 49 pages--and

that's just the explanatory brochure. If the Bytown bureaucrats had been running the show in Elizabethan England, Shakespeare would never have written King Lear. He would have been too busy figuring out whether he was eligible for a subsidiary cost-of-living stipend as a contributing revenue generator under sub-section 4.

I hail from an era when wrist watches only had one button on them, bicycles had a single gear, and a man's razor lasted a lifetime and then some. Life's a lot more complicated than that these days. That is why I was delighted to read a book called *Polish Your Furniture with Pantyhose*.

It's written by Joey Green and it's dedicated to the idea that you shouldn't require an engineering degree to navigate through life in the late twentieth century. Green teaches us that the solutions to many of life's problems are close as the nearest...well clump of discarded pantyhose.

Green's book shows that not only can you polish furniture with pantyhose, you can also shine your shoes with Geritol, clean brass with Worcestershire sauce, and get gum off your sneakers with a squirt of WD-40.

Got a sliver in your finger? Swab it with Elmer's glue, let it dry, then peel the glue--and the sliver--off.

Suffering from sunburn? Lather Yogurt

all over it. Or, if you prefer, empty a jar of Nestea into a warm bath and soak yourself. The tannic acid will soothe the pain.

He also claims you'll catch as many fish by baiting your hook with Vaseline as you will with dew worms, and that you can keep deer out of your garden, by hanging blocks of Ivory Soap around the perimeter.

A lot of people have nothing good to say about porridge. Mister Green would disagree. He says Quaker Oats make a lovely facial moisturizer, can be applied to the hair as a dry shampoo and relieves the itching of chicken pox.

The book is full of tips on how to use products in ways their manufacturers never dreamed of. Coca Cola is dandy for cleaning corrosion off your car battery. You can keep pets off furniture with Reynolds Wrap; clean your showerhead with Heinz vinegar.

For people who cannot program their VCRs (or in fact, set their wrist watches) *Polish your Furniture with Pantyhose* is a godsend. Simple solutions to everyday problems! I haven't been this excited about a book since I heard O.J. wouldn't be writing another one.

And Green's publisher, Hyperion, tells me he's got another blockbuster coming out next spring. It's going to be called *Paint Your House with Powdered Milk*.

I can hardly wait.

Pilot Doug Brown (left) and passenger Barry Hart participated in the Stanhope Autumn Colours Fly-in, October 5, in Hannu Halminen's 1952 Harvard Trainer. Brown and Halminen took passengers for rides in the Harvard and in a Waco biplane, during the fly-in. Airport manager Dennis Lafleur reports some 50 to 60 aircraft from outside the region, and another 30 local pilots showed for the event. Said Lafleur, "The weather was good, and people flew in from all over — from North Bay and as far away as London. I'd call it a success." Halminen collects and restores antique aircraft. Senior Redmen trample Wildcats 47-0

Both of Haliburton Highlands Secondary School's football teams were victorious over the I.E. Weldon Secondary School Wildcat teams Friday in Lindsay.

Assistant coach of the Redmen senior team, Gary Brohman, said the Haliburton team "totally dominated" the Weldon team.

Mike Bradley and Andrew McKelvey each scored two touchdowns, with Darnell Gilbert and Shane Park adding one apiece.

Darren Mills kicked five converts as the Redmen trampled the Wildcats 47-0.

The score of the junior game was 29-0 in favour of the Haliburton team. Details of that game were unavailable at press time. Watch for coach Bruce Griffith's account of the game next week.

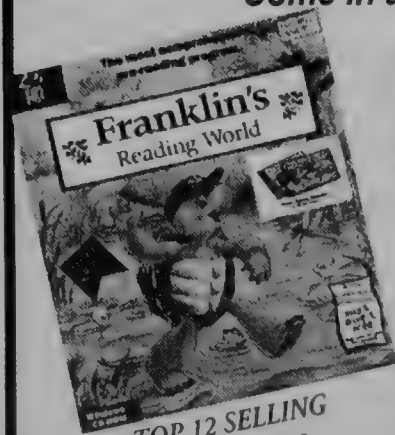

Oldtimers' season gets under way

JUGGLING ACT: The Minden Hearing goalie does a juggling act during the first night of the Minden Oldtimers' Hockey League schedule last Wednesday evening. The Minden Hearing squad gave up an 8-2 loss to Buckslide Construction. The first game of the night saw Andy Campbell's team, which has yet to be named, edge the Sid Stamp Fuels crew by an 8-6 margin. This is a purely recreational league for players aged 35 and over who want some fun and exercise. Slap shots and body contact are illegal and penalties result in automatic penalty shots. Nobody keeps track of goal scorers and fighting is not tolerated.

High School Football**Junior Redmen add two more wins to outstanding season**

by Bruce Griffith

Victory number four was earned by the junior Redmen football team as Lindsay Collegiate lost a mud bowl by a score of 13-0 in Lindsay on Friday, September 27.

Forty-five of 48 HHSS players made the trip to Lindsay and all participated in this win, to become the team to beat for the Kawartha West championship.

In the first half, tailbacks Devon Dart and Jason Henry ran the ball well, to march the ball with great blocking from the offensive line. Devon made it into the end zone twice, with a convert from Ryan O'Neill and the score was quickly 13-0.

The Redmen defence stole the show, repeatedly digging in to stop strong offensive drives by the LCVI squad.

Quarterback sacks by Logan Percy, Greg Luck and Adam Durkin, another pass interception by Allan Pugh and great tackling by linebackers Nathan Koz, Jon Swinson and Chris Moynes proved that this defence is a force to be reckoned with.

The second half should have seen the Redmen offence into the end zone several times, but penalty flags, mud and driving rain created havoc. One highlight of the second half was an exceptional pass by Matt Reid to flanker Jay (Sticky Hands) Mole.

Redmen 21, Falcons 0

The Junior Redmen played host to the Fenelon Falls Falcons. The game determined the first place standing in Kawartha West.

A strong drive in the first offensive series saw Devon Dart score a touchdown, assisted by the great

blocking of Adam Durkin, Nathan Koz, Wayne Kernohan and Graham Fawcett. Kicking specialist Ryan O'Neill made the score 7-0 with the successful convert.

The rest of the first half saw the Redmen marching the ball down field several times only to be stopped yards away from the end zone.

The Haliburton defensive squad shut down Fenelon repeatedly, with great tackling by Jon Swinson, Graham (the Shack) Schakelaar, Greg Luck and Mike Hamilton, and two interceptions by Chris Moynes.

In the second half, the coaches were eager to score some more touchdowns before putting in the rookie squad. Led by quarterback Mike Morissette, powerhouse fullback Darren Gilbert started the second half by punching into the end zone. Tailback Jason Henry, with a great second half, also scored. It was his first touchdown of the season after being denied several times in the past.

The strong Redmen defence had an exceptional second half, denying the Falcons any big gains.

Greg Luck continued his destruction of the Fenelon passing game by picking off another interception and the big men -- Sean Martin, Joe Fomenko and Nathan Koz stopped the running game. Allan Pugh played a smart game at safety, letting no one past him.

Matt Reid, at quarterback in the fourth quarter, continued to move the ball and threw several great passes to launch the aerial attack. Rookie Mitch Johnson caught one of those torpedoes and came very close to scoring another touchdown.

The man with the hot foot, Ryan O'Neill, kicked two more conversions to make the final score 21-0.

HHSS junior girls field hockey team wins pool at tournament

by Jerry Grozelle

The solid play of the junior field hockey team earned the Haliburton Highlands Secondary School squad first place in its pool at an exhibition tournament in Toronto Saturday. The Hal High girls went undefeated in four games tying two and winning two, for top honours in the five-team pool.

An estimated 120 teams participated in the two-day weekend tournament.

Haliburton opened with a 1-1 tie against Sinclair of Toronto. Amy Brandon scored the HHSS goal, assisted by Katrina Matysek.

The second game saw the HHSS girls play to a 1-1 draw against Chingcousy (Brampton). Inga Haedicke scored the Haliburton goal, assisted by Britney Hewitt.

Game three for the HHSS team ended with a 2-0 win over Orangeville. Hewitt notched the first goal, from Haedicke. Kim Varty scored the second goal, from Matysek.

The Haliburton team ended the tournament with a decisive 3-0 victory over North Toronto. Matysek scored the first goal, unassisted. Brandon netted the second, from Varty and Hewitt added the third marker, assisted by Tanya Sisson.

In league play, the HHSS girls won two of three games last week.

A game Wednesday ended with a 1-0 win over Peterborough Collegiate and Vocational School.

Two games on Thursday saw the HHSS squad lose 2-0 to last year's Kawartha Championship winning Adam Scott Collegiate. The second game of the day ended with a 1-0 score, in favour of Haliburton, against Trinity College School of Port Hope.

The junior field hockey team will play host to a pair of opponents this Wednesday. The first game will be against St. Peter's of Peterborough, starting at 3:30 p.m. Game two will be against Lakefield College School. That game will start at about 4:30.

Seniors win, tie in last 2 games in league action: 2 wins in tournament

by Jerry Grozelle

The Haliburton Highlands Secondary School senior field hockey team rebounded from three losses at the Scarborough Tournament on September 21 to win their last two games.

The HHSS girls lost their first game by a 2-0 margin to Grand River High School of Kitchener.

Their next opponent was a very strong team from Oshawa. The result was a 3-1 loss. Jennifer Turner scored the Haliburton goal, unassisted.

Humberside of Toronto was next on the agenda, with the Haliburton team giving up a 3-0 loss.

Another Metro team, Birchmount, fell to the HHSS squad in the fourth game. Amanda McClenaghan scored the game winner in the 1-0 contest, assisted by Amanda Duncombe.

Haliburton rounded out the tournament with a 1-0 win over the Bishop Strachen private school. Jess Wallace notched the game's lone goal, from Jennifer Turner.

"The outstanding player of the tournament was Amanda Duncombe," said senior coach Kit Pizzezy.

Scott Moore rolls a 327: now owns bowling centre

-submitted-

Big changes have taken place at the County Bowling Centre. Newlyweds Scott and Michelle Moore, just returned from their honeymoon, are now the new owners of the business. They have taken over ownership of the Centre from Daryl and Kelly Moore, Scott's brother and sister-in-law.

The bowling leagues wish Daryl and Kelly all the best in their future endeavours and congratulate Scott and Michelle on their marriage and the new business venture.

X-country runners place well at meets

by Paul Morissette

Haliburton Highlands Secondary School cross-country runners have fared very well in early season invitational meets. The team is led this season by a strong contingent of junior girls who captured fifth place and third place positions at the Trinity Harrier meet and the Bayside Secondary School Meet in the past two weeks. The team consisting of Stephanie Ratz, Katherine Hagerman Reagan Brown, Jordana Bain and Caitlin Pettit have demonstrated strong deter-

mination.

Individually, Stephanie Ratz placed third amongst over 15 competitors at Trinity and earned a fifth place finish at Bayside.

The boys are led by two midgets -- Blaine Saunders and Drew Adamson, who both have run in the top third in both races. Blaine's eighth place finish at Bayside was a terrific accomplishment. The team is preparing for the upcoming Kawartha and COSSA championships which will be held in the next few weeks in Peterborough and Port Hope.

Haliburton County Art Study Group plans AGO excursion

by Morris Duff

Motivated by the success of their first joint project, the art galleries in Minden and Haliburton have decided to work together once again.

This time it will be for a bus trip to the Art Gallery of Ontario in Toronto for a guided tour of the Impressionist and Post-Impressionist paintings.

The excursion is planned for Wednesday, October 30. The bus will leave the Rails' End Gallery, Haliburton at 8:30 a.m. then do a pick up in Minden at the Agnes Jamieson Gallery at 9 a.m.

A Haliburton County Art Study

Group of approximately 15 people was founded as a result of a conversation on the bus during the two galleries' trip to the AGO last April. Members now are studying the Impressionists and Post-Impressionists and their enthusiasm for a trip encouraged the two galleries to cooperate again.

The last trip — to see the exhibition of Group of Seven paintings — demonstrated to members of the two gallery boards that projects they could not do separately are possible with cooperation.

Tickets cost \$50. In addition to the bus and the guided tour, a chicken dinner, on the way, is included.

Real Estate Board donation

The SIRCH Women's Emergency Shelter received some much appreciated financial support recently. Linda Baumgartner, President of the Haliburton District Real Estate Board (right), presented co-ordinator of the SIRCH Women's Emergency Shelter, Sheila Whiting, with a cheque for \$500, while volunteer Ginny Heming (left) looked on. The donation was made by the board in recognition of Ontario Housing Week. Throughout the province, Ontario realtors made donations to organizations assisting with special housing needs.

Federal government assistance

Pregnancy support program

A pregnancy support program for women at risk, in Haliburton County, has recently been announced by Victoria Haliburton MP John O'Reilly. The program is sponsored by SIRCH in collaboration with other county social service agencies.

"This project is part of the federal government's strategy to support pregnant women in rural areas and is part of a larger commitment to improve the health of women and children," O'Reilly is quoted as saying in a press release issued by his office.

The project will provide pregnant women with a trained birth companion who is a mother with breastfeeding experience. Furthermore the program will stress the importance of good nutrition and its relationship to healthy pregnancies and will provide direct food supplement, to the mothers through affiliated service providers. The direct impact of the program will show an increase of babies born with healthy

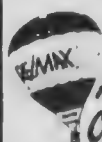

birth weights and see the establishment of a prenatal community-based infrastructure to provide co-ordinated support to at-risk mothers.

Funding for the program was approved in March and is part of the existing fiscal framework, the press release said.

'I understand!' The love of teaching

(The Times is pleased to welcome Sue Carr to these pages, as our new student reporter at HHSS. Sue who has aspirations to be a journalist, has a year's experience as a co-op student reporter.)

by Sue Carr, HHSS student reporter

We complain about them when they give us a bad mark.

We complain about them when it's a good mark.

In general, students around the world always seem to find something to complain about when it comes to their teachers. It almost seems as though if students didn't complain, we wouldn't be fulfilling our jobs as students.

Since this is the case, it only seems fair for the teachers to have a break from our constant jokes and stories. Annually, UNESCO (the United Nations Educational, Scientific and Cultural Organization), marks a day of appreciation for teachers. This year International Teacher's Day was October 5, (it's the same date every year, even if it happens to fall on a weekend). There are over 50 million teachers in the world, so recognizing

their efforts once a year is a worthwhile undertaking.

According to Wayne Cushman, the executive director of the OSSTF, (Ontario Secondary School Teachers' Federation), the day has been set aside to "honour the work and effort of teachers who have respect and concern for educating the future generation." Cushman says that both Canada's Prime Minister and the Premier of Ontario have recognized the day, and that the members of the House of Commons were wearing Teachers Day buttons last week.

Teachers really do have a difficult job. It's a point that students rarely believe, but one to which parents can relate. Besides teaching the fundamentals of mathematics and English, a teacher has one of the hardest tasks around: the job of shaping the next generation. We spoke to a number of teachers at Haliburton Highlands Secondary School to learn why they teach.

Bob Penfold, a veteran of 30 years, became a teacher because, to put it bluntly, "I didn't have anything better to do." After studying at four different schools, including the University of Western Ontario and Lakehead College, he admits, "You can never anticipate everything that's expected. There's a difference between being a teacher and being an instructor in the classroom," he adds. "A teacher can become a mentor and possibly a friend, as compared to an instructor who teaches the class and goes home to the TV."

One of the major rewards of the job for Penfold is the joy of seeing kids get turned on to learning. He admits that it's frustrating when that doesn't happen.

Nona-Lyn Philp has been a teacher for 25 years, and studied at the University of Toronto, the Ontario Institute, and UCLA. As she described it, being a teacher was her way of combining her, "love of literature and theatre. It offered the opportunity to experience the very special satisfaction of seeing a child's eyes light up, saying, 'I understand'."

Extra-curricular activities also make up a large part of a teacher's time. School team coaches Peter

For the love of teaching

(from page 23)

Bertelsen, Gary Brohman, Kit Pizze, Tim Davies, Ron Yake, Paul Morrisette, Bruce Griffith, and Wendy Heinze are only a few of the teachers who donate their own time to assist students with athletics. As well there are many others who stay after school to supervise drama, band, and the Student Activity Council.

"I love my job!" declares Patti Brydson, a teacher for 15 years, who studied at Ottawa University. "As I teach, I'm learning all the time. My days are full, and I feel like I'm helping this universe by teaching." She mentions that sometimes it is stressful keeping up with all the marking. Peter Bertelsen agrees.

One of the newest teachers in HHSS.

Bertelsen is in his fourth year. His teaching career actually began long before he finished high school. At the age of 15, he was a sailing instructor, and says that he "really fell in love with teaching." After attending Trent University and Queens University, he says that teaching is "hard work", but he really likes, "having the privilege of dealing with so many good people, not just at school, but in the community."

The fact that the teachers at our local high school seem to care so much about their students makes it that much easier to realize why there should be a teacher's appreciation day. Says Walter Tose, President of the local teacher's federation, "If a student comes up and pats me on the back and thanks me, spontaneously, that's great. That's what it's all about."

Five children's concerts for the coming season

The Haliburton County Children's Concert Series is prepared to launch its eleventh season with five great concerts. Tickets for the series, which begins on November 17, are co-sponsored through local businesses and the Ontario Arts Council. A press release was issued last week announcing the program:

This year's line-up begins with an ocean adventure full of laughter, music, suspense and sea puppets as *Join Hands Puppeteers* perform *Puffin Travels*, Sunday November 17, at HHSS. The show is co-sponsored by Henwood variety in Haliburton.

Just in time for Christmas, at Archie Stouffer Elementary School in Minden, *Duffle Bag Theatre* will provide a unique interactive experience through the story of *Rudolph the Red Nosed Reindeer*. The show is scheduled for December 15 and is co-sponsored by The Times.

A zany, high energy musical duo, *The Stylamanders*, will be featured in the third concert. The pair combines great original music, audience participation and pure fun on Sunday, January

26. The performance is co-sponsored by PineStone Inn and will be presented in the resort's ballroom.

Next, the series presents *Debra Dunleavy*, who has appeared with Mr. Dressup, Fred Penner and on Eureka's Castle. She is truly a dynamic entertainer who promises lots of hand clapping, foot stomping fun. The performance, co-sponsored by Curry Motors, is slated for Sunday March 23 at the Haliburton Legion.

The final concert in the series is scheduled for April 20 at Archie Stouffer Elementary School in Minden. *The Touring Players Theatre of Canada* will present five well-loved Robert Munsch stories (such as *The Paper Bag Princess*, *50 Below* and *Moir's Birthday*). The performance is co-sponsored by Dollo's IGA.

Tickets for all five concerts are available at a cost of \$18. They are available at The Storeroom and CHACE Place in Minden and Masters Book Store and CHACE Place in Haliburton and through members of the organizing committee.

Laxton campers spearhead Thanksgiving food drive

Campground owners in the Township of Laxton have organized a food drive for the Thanksgiving holiday weekend.

In a press release issued by the organization representing the owners and trailer park users, it was pointed out that the Thanksgiving weekend is an ideal time for such a drive. "Trailer campers are closing for the season," committee chairman and treasurer Billie Grozelle stated. "The trailer owners often have surplus food stuffs." She said she hopes that people will donate this extra food to the drive.

The food will be taken to the Salvation Army in

Fenelon Falls for distribution to the needy in the area.

The drive was also created to "help improve the image of trailer campers," the release stated.

According to the press release, the United Campgrounds of Laxton Township was formed to combat what was felt to be unwarranted or unfair charges, (user fees, licence fees, taxes) on trailer camps. The organization says there are approximately 1000 trailer sites in the eight parks within the township representing about 2000 individuals. Two campers and an owner from each of the campgrounds form the executive of the group. John Unwin is the chair of

the organization with Hugh Martin the immediate past chair. Both are from the Rockcliffe Park. Rick Proudfoot from Trailer Park on the Bay is vice chair. The treasurer Billie Grozelle, of Spruce Glen Park is also responsible for public relations for the organization.

While the food drive is being organized by the campers, they have extended an invitation to anyone in the area to participate in the collection. The collection point will be at Ward Park on Highway 35 in Norland between the hours of 2 and 3 p.m., Sunday October 13.

"We hope to make this an annual affair," Grozelle stated. "Thanksgiving weekend seems to be an appropriate time."

Ross Memorial fund raising reaches \$6 million target

Ross Memorial Hospital Foundation announced October 1, 1996 that it has reached and even exceeded its fundraising goal of \$6,000,000 for hospital redevelopment. After 14 months of hard work by hundreds of volunteers, the hospital now has the resources to proceed with a long list of renovations which will improve the facilities of Maternity, Paediatrics, Surgery, Outpatient Clinics, Intensive Care and create a new unit of "short stay" spaces. While some of these renovations will not be completed for a few years, it is expected that Maternity, Paediatrics and Intensive Care will be completed within a year.

Scott McLeod, Chair of the Hospital's Board of Governors, expressed his appreciation of the area-wide volunteer effort - "The most remarkable thing about this redevelopment project is that it will use no provincial funding. With current restraints on government

spending, there was no government funding available for these projects. Instead, the hospital committed funds from its reserves and the Foundation stepped forward to provide the bulk of funding through the "Campaign for the Ross" chaired by Bruce Glass. The ongoing commitment of this community to its hospital is outstanding - individuals, businesses, service organizations and our local governments have taken direct responsibility for the future of their own hospital. This community spirit is what makes our area and our hospital so special."

According to Drew Gunsolus, Chair of the Foundation Board, the Campaign has been a turning point in the Foundation's work. "During the course of the Campaign, more than 2000 donors made a commitment to their hospital. Hundreds of volunteers rallied behind Bruce Glass and his team to make a phenomenal task manageable

and accomplish what many considered impossible in this economic climate. We will be very busy over the next few years, keeping in touch with our donors, informing them of the progress of the renovations and making sure there is still funding available for ongoing equipment needs at the hospital."

The final tally of the Campaign reached \$6,012,603 with gifts from 2,055 donors.

The closing celebration for the Campaign took place at the Admiral Inn Tuesday evening. More than 200 friends of Ross Memorial Hospital came out to celebrate the successful campaign and to see a preview of a new Donor Recognition program. The donor wall, entitled "A Tradition of Giving" has been donated by Dominic Fox and family in memory of Anne Fox and is intended to show appreciation for the generosity of the community and to inspire others to give so generously to

our community hospital.

The wall consists of oak panelling which contains bronze plaques recognizing the cumulative gifts of donors at various levels of giving. The panelling is set above a series of museum style cabinets containing artifacts of the history of the hospital. The centrepiece of the display is a paper sculpture by local artist Calvin Nicholls. According to Eric Dean, Executive Director of the Foundation, "the sculpture, depicting a flight of doves rising from a pair of hands, is intended to symbolize the launching of a goal, the transition from the hospital's vision into a reality made possible through the generosity of the community."

The donor wall will be installed in the hospital's lobby later this week.

Seminar will explore links between forestry and environment protection

The Eco-Tourism Management Program at Sir Sanford Fleming College in Haliburton is hosting a public seminar regarding environmental protection and forestry practises. The workshop, which will be held at the College's Sisco Campus in Haliburton, will feature a slide show prepared by the Wildlands League. According to the college, the pictures explore the links between economically viable communities and healthy forest ecosystems in Ontario.

The purpose of the workshop is to

stimulate discussion about the health of local forests and community economy. "Some examples are, the potential for eco-tourism, eco-labelling of wood products to sustain local ecosystems and community health and assessing the value of a proposed medium density fibre board mill in the Haliburton-Bancroft area," the announcement of the meeting said.

The workshop is entitled Forests and Communities. The public is invited to attend Wednesday, October 9 at 7 p.m.

Compensation board helps innocent victims of crime

The Ontario Criminal Injuries Compensation Board hears claims for compensation for innocent victims of crimes of violence occurring within the province of Ontario.

Applications should be submitted within one year of the injury or death of the victim (whether or not charges have been laid); extensions may be granted under special cir-

cumstances. Documentation is required to support the claims and an investigation may be required. The hearing process is gentle and informal, may be public or private depending on the crime.

Awards may reflect medical costs, lost wages, pain and suffering, lost support if you are a dependent, funeral expenses and even child support in

the event of pregnancy by rape.

For further information please call the Ontario Criminal Injuries Compensation Board at 1-800-372-7463.

Have you a question? Do you require support or assistance in accessing services? We can help: contact your Haliburton County Information Centre Inc. In Haliburton the

Staanworth Court residents hunker down preparing for winter's blast

Staanworth Court residents are starting to think "Wintertime". Summer clothes are being packed away and out come the blankets. We'll be ready.

Our Tenant's Association club meeting resulted in the same folks being re-elected to look after events for the coming year - President Doris Moore, Secretary Dorothy Ash and Treasurer Fern Donnelly. The Social committee will be headed up by Katie Parker with others volunteering to help. Dorothy will help with the catering and a couple of strong(?) men volunteered(?) to help move any furniture!

Doris Foster enjoyed a week long bus tour into Pittsburgh and Wheeling, West Virginia. Great feeling not having to prepare your own meals.

Katie Parker jetted all the way to B.C. to attend the wedding of her grandson. She stopped off in Saskatchewan on the way home, to visit a long-time friend. Now Katie is getting ready for a busy curling season.

We are happy to have Ted Madill back off the sick list after a couple of trips to the hospital.

Our Tenant Service coordinator, Maureen Johnson, has a few of us bouncing around on an exercise program twice a week...should "make" or "break" us!

Minden Lions in contact with North Pole

Santa sets date for Minden visit.

Well kids, it is confirmed Santa Claus will arrive in Minden on Saturday, November 30.

The Lions have been talking to Santa on the internet and this date has been set aside for the Minden Community Santa Claus Parade. The floats and participants will form-up in the Arena parking lot and parade through the Main Street to McKnight Drive starting at 1 p.m. sharp.

All children under the age of ten are invited to visit Santa at the Fire Hall at approximately 2 p.m. Lion Don Hill and his organizing committee invite all service clubs, church groups, youth organizations and businesses to take part in this community project. At the present time, Lion Don is expecting three bands to participate.

Again this year, photos of your children visiting Santa will be available at Minden Perfect Prints on Monday, December 2, free of charge.

Zone meeting

On Wednesday September 25, the Minden Lions hosted the Governor's Zone Advisory meeting for the six clubs in Region 52N. Lions from Bobcaygeon, Coboconk, Dunsford, Haliburton, Kinmount, Minden

as well as Bobcaygeon Lioness and Minden Lioness were well represented for this annual meeting. After a delicious dinner prepared and served by the Minden Lioness, a very interesting meeting was chaired by Zone Chairman Lion John Fritz of the Bobcaygeon Lions.

Convention chairman Lion Daryl Moore reports that the convention of A-16 District is to be held at the PineStone Resort Centre on April 25, 26, 27, 1997, and plans are progressing nicely. Your Minden Lions are looking forward to this as one of the greatest events for this area in the coming year. It is anticipated that between 600 and 700 Lions, Lioness and Leos will be descending on Haliburton County. We invite everyone to welcome these visitors with the enthusiasm that Haliburtonians are noted for. A parade will take place in Minden on the Saturday at 10 a.m. These District Convention parades are very spectacular.

Just a reminder, Bingo every Thursday night at the Minden Community Centre with a \$500 jackpot and \$60 regular games. Doors open 6 p.m., early bird game 7 p.m. and regular games begin at 7:15 p.m. The Earlybird proceeds are split between the winner and the Lions Medical Centre.

Old cars benefit Kids Help Line

It's a win/win situation for donors, Kids Help Phone and the environment when donors choose to dispose of their unwanted vehicles through the AADCO vehicle disposal service.

AADCO is giving away a 1997 Ford Escort in connection with this program. The contest closes November 30, 1996. All Canadian residents are eligible to win.

Callers can donate the proceeds of the sale of their unwanted cars, trucks, vans, snowmobiles, boats, industrial equipment or farm motorized equipment, any type, any location, any condition, to Kids Help Phone.

Donors should call the NEW number for the Kids Help Phone Vehicle Pickup Line at 1-888-350 KIDS (1-888-350-5437) and AADCO Vehicle Disposal Service will assume responsibility for the vehicle's disposal through dealer auctions or by sale to scrap dealers or wreckers.

This is a fast and easy way to remove unwanted vehicles from the neighbourhood and the owners can avoid the expense and hassle of advertising and certifying their vehicle. In addition, donors will receive a charitable tax receipt from Kids Help Foundation for the amount of their sale.

Over \$18,000 has been donated to Kids Help Phone since this program began last year. As Canada's only national, toll-free, bilingual, 24 hr. professional counselling service for children and teens, Kids Help Phone receives over 4,000 calls a day from across Canada. Sadly, while counsellors provide help for 1,500 children each day, 2,500 others receive busy signals. Additional funds are needed to increase the capacity of Kids Help Phone to enable more children to access the service.

The Alzheimer Society of Peterborough and Area, on Wednesday, October 16, is holding a workshop at 1:30 p.m. followed by an open meeting at 7:30 p.m. The topic is "Horticulture as Therapy". The workshop is held in the Applewood Manor, 1500 Landsdowne St. W. and the open meeting in the Marycrest Home for the Aged, 200 St. Luke's Ave., Peterborough. Register for the workshop by this Friday, October 11 by calling 705-748-5131.

Minden Agricultural Society (sponsors of the Haliburton County Fair) will be meeting on Thursday, October 10 at 7:30 p.m. at the home of Ron and Shirley Cox.

The Kinmount Legion monthly 50-50 draw was won by Stacy Lee Robinson from Gooderham. We won't tell that she won \$105.

One of our teenage travellers, Jammie Ogle, recently dropped a line from Venezuela where she is spending a year as a Rotary exchange student. We thought it might be worthwhile to pass on her address so anyone interested in dropping her a line can do so. Mail for Jammie can be sent to: Jammie Ogle, Av. Liberador Edif Olga, Apt. 52, Urbanizaciou, Las Lomas, San Cristobal, Tachira, Venezuela. And while we're at it we should mention Jody Reid, another Rotary Exchange student who is in Belgium. She would be

delighted to receive mail. Write: Jody Reid, c/o the Bemelman's, 6 Rue Jacquemotte, 4020 Liege, Belgium.

Laura Carnegie and Helen Skelding enjoyed the bus tour recently to Algonquin Park.

St. Paul's Friendship Club winners of last week's euchre games: Lila Jackson and Iris Taylor - high scores; Nancy Gayton - most lone hands and Marg McAfee - low score. Meet Mondays at 1:30 p.m. No card games, however, on Thanksgiving Monday.

Club 35 euchre winners from last week: Rhoda Woolner - 50-50 draw plus a special prize; Mary Pearson and Olive Jones - high score; Murray Daniels - most lone hands; Ivan Kernohan - low score plus a special prize; Edith Russell and Mary Schad - low score. Meet Mondays at 7:30 p.m. - partners not required.

Stanhope contract bridge winners from last week: first Frank Schlotter, second Dorothy Strype, third Fred Heald. Three small slams were bid and made by Morris Hansen/Dorothy; Mary McNiece/Dorothy; Frank/Fred. Meet Tuesdays at 1 p.m. in Stanhope. Partners not required. Starting this week (and until further advised) all games will be played in the Stanhope Library.

Seniors bid euchre winners from last week's play in the Minden Legion were:

Marcel Rousselle, Ann Baker, Joan MacKenzie; high scores - Mary Wilson; hidden score and moonshots by Marcel and by Margaret, from Stanhope, who came with Olive Jones. Meet Tuesdays at 1:30 p.m.

Gelert Community Centre euchre winners from last week were: Mildred St. Thomas - most lone hands; Kit Schroter and Earl Schellenberg - high scores; Dorothy Milburn and George Bartley - low scores. Meet Tuesdays at 7:30 p.m. This week it's in Lochlin; October 15 in Gelert.

Stanhope Firefighters Hall bid euchre winners from last week were: Stan Walters with 308, Jim Foster 307, Pat Rousselle 307, Marcel Rousselle 302, Edith Russell 280 and Pearl Foster 279. Meet Wednesdays at 7 p.m. Lottie Ruttan wanted to say "thanks" to everyone for being so kind so she donated a complete dinner for all.

Each one brought a donation to the Haliburton/Minden food bank in turn. During the afternoon of Saturday September 28, 38 seniors from Stanhope were invited to Gravenhurst for a return visit, a pot luck dinner and bid euchre games. A very good time was had by all.

Euchre played in the Minden Legion on Thursday, September 26 at 7:15 p.m. produced the following winners: Lila Mitchell and Truman McNeil - most

lone hands; Gala Stamp and Tod Edgson - high scores; Marion Irwin and Murray MacKinnon - low scores; Marie Dennie, Ellie Langpohl and Vi Edgson - "other" prizes.

Club 35 bid euchre winners from September 27 were: Jim Irwin-256, Ruth Kellett-255, Bud Pipher-243, Marjorie Cowen-233, Jean Dutka-222 and Gala Stamp-215. Moonshots by Norm Lee, Maxine Harper, Gala Stamp, Jim Irwin and Margaret Fletcher (who had 2). Meet Fridays at 7 p.m. Partners are not required.

HEALTH CORNER

Are processed foods low in fats?
NO!

The fat content in processed foods, even those containing vegetables and grains (rice, potato mixes), is surprisingly high. The culprit is the oil, shortening, margarine or butter used to enhance the taste and texture of many prepackaged convenience foods. Saturated oils, the most damaging to our health, are often prevalent in these foods. Read the labels carefully. Even foods marked "light" can be high in fat. Make sure that no more than 1/3 of calories are derived from fat

In Appreciation

On behalf of Minden's 1996 Terry Fox Run Committee comprised of: Kim and Jerry Campbell, Jeanne Anthon, Mike Jackson, Pat Campbell, Nadine Campbell, Bob Hurtle, and Linda Brandon, we want to express our heartfelt thanks to the following who through volunteer and/or sponsorship support helped to keep "the dream alive" on September 22, 1996: Cub Coneybeare, Irv Mandel, Sue Sisson, Jody Joanu, Marion Gartshore, Illa Cooper, Pat Brezina, Patty Brydon, Jessica Jackson, Steve Taylor, Shirley Brandon, Grace Loughheed, Emily & Amy Brandon, Jennifer Wales, Heather Little, Katrina & Krista Matysek, Stan Flemming, Peter & Greg Forgrave, The Amateur Radio Club, Anson, Hinden & Minden Townships (especially Clayton Cameron), A.S.E.S., the Armstrong Family, BJ Tree Service (Mike Jackson & Jim Burk), Jerry Campbell Contracting, The Community Police Association, Dollo's IGA, Easton's valu-mart, Gary Brohman, Bruce Griffith, Alison Rae at HHSS, County Sign & Display (John Hill), Gordon Monk Funeral Home (Barry Cray), Crowe's Kawartha Dairy, Lion's Club, Lutterworth & Stanhope Townships, Norm Mills Auction Centre, Minden OPP, Barbara Nangle, Northland Sales, Ontario Hydro, Minden Fruit & Vegetable Market, Minden Rotary Club, Royal Canadian Legion of Minden, Subway, John & Robin Thomas, Stedman's Minden and Twistee Treat.

A special thank you to all merchants & schools who allowed posters and pledge sheet boxes to be displayed. If your name has been inadvertently left off please let us know.

The biggest 'thank you' goes to all those wonderful people who took the time to come out and actively participate in our run. To Nicky Armstrong - you were a great "team player". Special 'thanks' to both the Minden Times and the Haliburton Echo for coverage. We look forward to everyone's continuing participation in 1997!

In fact, already we need a volunteer to handle the sale of merchandise for next year - any volunteers call Kim @ 286-1926 or Linda @ 286-1795. Thanks so-o-o-o much!!!!

The Minden Branch (636) of the Royal Canadian Legion is pleased to report to the residents and summer visitors of Haliburton County that we have contributed a total of \$38,735.00 to the support of other organizations during the period from June 1, 1995 to May 31, 1996, as outlined below:

These local organizations received a total of \$33,490.00:

St. Paul's Church
Minden Bible Church
Minden United Church
Our Lady of Fatima Church
The Salvation Army
Put The Word Into Action
CSSM Bible Camp

CARDS OF THANKS
VERNA IRENE
BUNKER

We sincerely wish to thank all
of our many friends, relatives
and neighbours for their kind-
ness, floral tributes and memo-
rial donations during the recent
loss of our precious wife,
mother, grandmother and great
grandmother, Verna Bunker.
Special thanks to Dr. Judy Smith
and Helen Berry V.O.N., for
their tremendous support. Thank
you to Susan Girard and Shirley
Warder, Home-Maker Program,
who have been extremely help-
ful during the past year.
Thank you Reverend Gary
Manzo for your comforting
words, Marlene Gribble and Ina
Beggs for your message in mu-
sic and Marjorie Woodland and
Doris Thomas for your tribute.
Thanks also to the Baptist
Church ladies and the Good-
wood Women's Institute for
providing lunch and a very spe-
cial thanks to the O'Neill Fu-
neral Home, Stouffville.
Harvey Bunker & Family.

We wish to express our sincere
thanks to our children Harvey
and Donny, Jim and Fay, Peter
and Wendy, Scott and Marion,
Leon and our grandchildren for
the wonderful 50th anniversary
dance given in our honour. You
made our day! A big thank you
to the band and to Gavin for
singing. Also to those who
helped the girls with the lovely
lunch. A special thanks to friends
and relatives for cards, gifts,
best wishes and for being there
to help us celebrate, we will
remember it always.
Arthurlene & Lorne Greer.

CARDS OF THANKS
Jim's Total

We would like to thank all of
the people who helped with our
surprise Jack & Jill Dance.
Thank you to all who bought
tickets and came out. Thanks to
all who helped decorate and
brought all the wonderful food.
To dad and poppa for the great
picnic table, to Mom for the
decorations and flowers, to our
wedding party for their help and
last, but NEVER least, Tammy
for all her work and support.
Kim & Shaun
P.S. Thank you Ian from J-
Karoo's for our "long" dinner!

Special thanks to family and
friends for a wonderful surprise
"Margaret's Day". It was fun
and the supper was delicious.

IN MEMORIAM

McAFEE - In memory of W.
Gordon, a loving husband, fa-
ther and grandfather who passed
away October 12, 1990.
*May the winds of love blow gen-
tly
And whisper so you can hear
That we all love and miss you
As it dawns another year.
Sadly missed by wife Margaret
and Family.*

JOHNSTON - In loving
memory of a dear son and
brother, Myles, who was killed
October 11, 1968.
*There is a home not made by
hands
Beyond the golden doors,
Awaits the one who's now away
Not lost, just gone before.
And in that home not made by
hands
The Master will prepare
A place for us and when He calls
We'll meet our dear Myles there.
We think of Myles in silence
We often speak his name
And feel again the bitter blow
That never should have come.
Sadly missed by Mom and Fam-
ily.*

CREGO, Joe - In loving
memory of a dear father and
grandfather who passed away
October 11, 1995.
*Sadly missed along life's way
Quietly remembered every day,
No longer in our life to share
But in our hearts he's always
there.
Always remembered by
Bonnie, Fred, Joel, Jennifer,
Alicia and Samantha.*

CREGO, Joe - In loving
memory of a dear dad who
passed away October 11, 1995.
*What I would give to clasp his
hand
His happy face to see,
To hear his voice and see his
smile
That meant so much to me.
Sadly missed and always re-
membered by
your son Malcolm.*

IN MEMORIAM

CREGO, Joseph - In loving
memory of a special father and
Poppa who passed away October
11, 1995.
*What we would give if we could
say
"Hello Dad (Poppa)" in the same
old way
To hear your voice to see your
smile
To sit and chat with you a while.
To hear your stories that you
told
That everyone enjoyed so well.
To have cereal with you one
more time
To have you call me sweetheart
again.
We would give it all to have you.
So you who have a father (Poppa)
Cherish him with care
For you'll never know the heart-
ache
Till you see his empty chair.
Forever loved and sadly missed
Ward, Liz, Mallory, Tyler and
Kelsey.
P.S. Poppa I can walk all by
myself now.
Kel.*

CREGO, Joe - In loving
memory of a dear father who
passed away October 11, 1995.
*Your end was very sudden
No time to say goodbye
You were gone before we real-
ized
And only God knows why.
Our lives go on without you
And nothing is the same,
We hide our heartaches
When someone speaks your
name.
Sad are the hearts that loved
you
Silent are the tears that fall,
Living our lives without you
Is the hardest thing of all.
You did so many things for us
Your heart was kind and true
And when we needed someone
We could always count on you.
In our waking thoughts,
In our resting dreams,
In our hearts forever.
Love, Phebee & Tom
and your new grandson Dalton.*

CREGO Joe - In loving memory
of a dear husband who passed
away October 11, 1995.
*It's lonely here without you
I miss you more each day
For life is not the same to me
Since you were called away.
If I had all the world to give
I'd give it and more
To hear your voice and see your
face
Come smiling through the door.
Lovingly remembered by wife
Dot.*

CREGO, Joseph Albert - In
loving memory of a dear father
and grandfather who passed
away October 11, 1995.
*We who loved you sadly miss
you
As it dawns another year,
In our lonely hours of thinking
Thoughts of you are ever near.
Sadly missed and always re-
membered.
Luther, Lou-Anne and Family.*

IN MEMORIAM

CREGO, Joe - In loving
memory of our dad who passed
away October 11, 1995.
*A year ago you left us Dad
Without a last goodbye,
What we would give if we could
say
Hello to you today.
Life is not the same now
Since you were called away
The family chain is broken
But we know we'll meet some-
day.
So dear God, please take a mes-
sage
To our Dad above,
Tell him how much we miss him
And give him all our love.
Forever loved and always
missed
Carrie and Blair.*

IN MEMORIAM

CREGO, Joe - In loving
memory of a dear father and
grandfather on October 11,
1995.
*Gone are the days we used to
share
But in our hearts you are always
there,
The gates of memory will never
close
We miss you more than anyone
knows.
With tender love and deep re-
gret
We who love you will never for-
get.
Forever your daughter Connie,
Gord and granddaughters Sue-
Ellen and Serena.*
